## RIOTING

In the Capital of the Ottoman Empire Wednesday Night.

A Body of Men, Armed With Revolvers, Invade the Ottoman Bank,

Killing a Number of Gendarmes on Guard

—The Riot Became General—Shops
Sacked and Bazars Invaded—Several People Killed and Wounded.

Constantinople, Aug. 27. — Mobs were in possession of a large part of Constantinople Wednesday night. Early in the afternoon a body of men, armed with revolvers and bombs, in-vaded the Ottoman bank, killing a number of gendarmes on guard. The employes of the bank fled to the quar-ters occupied by the tobacco syndi-cate, which has control of the collection of the taxes on tobacco throughout the empire.

The invaders mounted the roof of the building, and from the open windows fired at the police in the street below. The police returned the fusillade and several persons were killed and wounded. Then the riot became general. Shops were ransacked and bazars invaded and the wildest excitement prevailed throughout certain quarters of Constantinople.

A later report says that there is no doubt the movement was revolutionary in plan and scope; that it had its origin at secret meetings of Armenians. About 40 of the rioters were still in possession of the Ottaman bank at a late hour Wednesday evening, despite all the efforts of the government forces to remove them.

Riots continue and the mobs are constantly increasing in the Galata quar-

PARIS, Aug. 27.—The directors of the
Ottoman bank, in Galata, the business center of Constantinople, have wired the manager of the bank's Paris office that the disturbances which occurred there Wednesday evening, when the bank was attacked and seized by an armed band of rioters, are ended, and that everything is well with the bank and quiet in the city, thanks to the en-ergetic intervention of the sultan.

CONSTANTIN OPLE, Aug. 27 .- Rioting of a desultory character was renewed in the city Thursday morning, but was soon speedily suppressed by the police. Nothing was taken by the rioters from the banks which they attacked Wed-

### THE SULTAN'S PALACE

Bombarded by British Warships and Burned to the Ground-Said Khalid Es-

LONDON, Aug. 27.—The foreign office has received dispatches from Zanzibar stating that the usurping sultan, Said Khalid, having refused to surrender Thursday morning in accordance with the terms of the British consul's ultimatum, the palace was bombarded by the warships in the harbor and after the bombardment was captured by the British sailors and marines who had been landed by the war vessels. Said Khalid was made a prisoner and will be deported to India. The dispatches

A later dispatch says that Said Khalid and his leading adherents made their escape and took refuge in the German consulate.

Still later dispatches say that at noon the palace and the old custom house were a blazing mass of ruins. Sharp firing continues on the outskirts of the city, where a force of British marines, with 400 loyal Zanzibars, hold the main road. Other sailors and marines are bringing in the prisoners and collecting the dead for burial.

During the bombardment of the palace the steamer Glasgow, which was owned by the late sultan and carried a number of guns, was fired upon by the British warships and immediately
